STANDARD FORM 30 (REV 10-83)
Prescribed by GSA FAR (48 CFR) 63.245

Items 11 and 12 are changed to read as follows:

Item 11. The Department of Commerce shall contract with ICF Kaiser on behalf of CPSC to provide Hot-Line service for approximately 262 hours at an average labor Amount of 102.98 per hour for expert advice and consultation on the Federal Financial Assistant FINASST System Software. The total shall not exceed \$26,980.76.

Item 12. The Department of Commerce shall contract with ICF Kaiser on behalf of CPSC to provide for in-house expert and consultation for approximately 188 hours at an average labor amount of \$102.98 per hour for CPSC's Division of Financial Management Services (ADFS) during CPSC's initial data entry and dual system processing. The total shall not exceed \$19,360.24.

This represents an increase of \$11,533.76 for the Hotline Service and \$3,913.24 for the In-house experts and consultation Service for a total amount of \$15,447.00.

Section G is changed and shall read as follows:

DOC/OCS, through its Contractor, ICF Kaiser, shall perform the objective that the core functions and all required interfaces are fully tested and implemented by September 30, 2000. Full implementation is defined as a system in a production state, with users trained.

1. MIS/PAYROLL Interface

- a. The Contractor shall perform an In-depth Analysis of the Input File for the MIS/Payroll Interface. The analysis shall include examining specific data involved as well as processing requirements. The Department of Commerce through its sub-contractor, ICF KAISER shall perform work for the MIS/PAYROLL interface.
- b. CPSC will provide a load ready file in a predetermined format prescribed by ICF Kaiser by October 12, 1999.
- c. The sub-contractor shall perform the following tasks:
 - 1) Create a Disbursement file, perform edits, create the necessary screen, successfully test the edits and produce financial records with the MIS/PAYROLL Interface producing Project data by costs. MIS/Payroll Interface information is defined as the following: (Payroll Number/Project Code/Organizational data/Cost Center/Object Class/Transaction date/and Cost). The sub-contractor shall demonstrate the Disbursement file within 60 calendar days after effective date of the Modification 0005.
 - 2) Transaction Conversion Record data values, testing, and demonstration of MIS/Payroll Interface in a completed format.
 - 3) The sub-contractor shall create a Posting Program within 90 calendar days after the effective date of this modification 0005, that shall automatically extract the payroll transactions from the populated Transaction Conversion Record, and post each transaction to the General Ledger, Document Master, Fund Control, and other

appropriate FINASST (tm) tables. The FINASST (tm) posting program shall post the obligation and disbursement transactions to the General Ledger, at whatever level of detail is provided in the Transaction Conversion Record. In addition, the accrual transactions and reversals of those accruals shall be separately posted to the General Ledger.

- 4) The sub-contractor's Posting Program shall update information, generate various bi-weekly payroll data orientated by type of disbursement, accruals or reverse accruals. This Posting Program shall be able to run the bi-weekly Payroll data generation, and monthly cost data by Payroll Number, Project, Program Codes, Organizational Codes, Cost Centers and Object Class. The sub-contractor shall perform edits, create two screens, successfully test the edits and produce financial records with the MIS/Program/Project data by costs. The sub-contractor shall demonstrate the Posting file within 90 calendar days after effective date of the Modification 0005.
 - 5) The sub-contractor shall test the payroll posting program and provide the results with successful guaranteed results within 90 calendar days after the effective date of Modification 0005.
 - 6) The sub-contractor shall perform a total demonstration of each of the MIS/Payroll types, Obligate and Disburse file, Accrual and Reversals of Accruals Files, Transaction Conversion Record File, and Posting Program. The query from the FINASST System shall be able to capture the Interface data and be recalled by various elements within the MIS/Payroll data base system to be ready to be exported to EXCEL or ACCESS databases or be able to be imported from the EXCEL or ACCESS databases into the FINASST system.
- d. Pricing for Obligate and Disburse and Posting Program Time and Labor Categories will be paid as follows:
- | | | | |
|--------------------------|-----------|-----------|---------------|
| Project Manager | \$ 158.84 | @ 4 hrs. | = \$ 635.36 |
| Senior Financial Analyst | \$ 123.30 | @ 24 hrs. | = \$ 2,959.20 |
| Systems Programmer | \$ 90.08 | @ 70 hrs. | = \$ 6,305.60 |
| Junior Financial Analyst | \$ 74.77 | @ 70 hrs. | = \$ 5,233.90 |
- e. Pricing for The Accrual and Reversal of Accruals and Posting Program time and rates shall be paid as follows:
- | | | | |
|--------------------------|----------|----------|------------|
| Project Manager | \$158.84 | @ 4 hrs. | \$ 635.36 |
| Senior Financial Analyst | \$123.30 | @ 16 hrs | \$1,972.80 |
